The raffle provided an additional \$630.00 to the shooters who went to Chino. The balance will go to those Juniors going to Camp Perry. The Regional has taken in \$1885.00 to date. A further report will follow. A motion was made, seconded and passed to give the \$206.00 in award points taken in to the Juniors. Twenty five shooters have signed up for the next DCM Clinic.

11. OLD BUSINESS

- 12 High Power Rule Books will be purchased for resale to the members when the new books are available.
- The Starr buildings will have their contents pumped. Stan Todd will install a turbine air stack on one of the outhouses to see if this will eliminate the odor problem.
- A new raffle with prizes to be awarded at the C.S.S.A. meeting in January was presented. The prizes discussed were S&W 22A, S7W 686, Lady Smith, Ruger Vaquero .45 51/2" and a Springfield 1911.

- The plans are to hold 4 to 6 clinics in 1998 with a maximum of 45 participants ,including coaches, for each clinic. The coaches fee will be reduced to \$5.00.
- A revised match registration policy was accepted and will be printed in the newsletter. It will also be enforced at all matches.
- The steel plate donated to the club will be given to the Cowboys to use for targets.
- The Buffalo Creek Cowboys will need to get their own insurance policy.

The meeting adjourned at 9:55 PM

In the past, match sponsors were lax in enforcing the match registration policies. This has resulted in last minute confusion in squadding competitors and matches starting late. In the future, the following policy will be rigorously adhered to:

1. Verbal registrations will be accepted if the match registration and entry fee is received by the **Match Sponsor** on the **Thursday** preceding the match. The registration will be canceled if they are not received by that time. The registration will be reinstated on the morning of the match with the payment of a \$5.00 late entry fee.
2. Late squadding will be at the Match Directors Discretion.
3. The \$5.00 late entry fee for entries made the morning of the match will apply to **everyone**.
4. Full refunds of entry fees will only be made for cancellations received on or before the **Thursday** preceding the match. A one-half refund will be made for cancellations received on **Friday**. No refunds will be made after that.

It would also help if all competitors would adhere to the following:

1. Address all entries to the **Match Sponsor**.
2. **Completely** fill out a SR1 form and include it with your entry. A copy of the SR1 is included with this newsletter. Please copy and use it.
3. If you plan on registering the day of the match, please have the correct entry fee with you. It is sometimes difficult to find change locally for large bills.
4. Get to the range one-half hour before match time. This will allow time for any last minute changes and allow the match to get started on time.

Thank you,  
The BCGC Board of Directors

## **AN OPEN LETTER TO ALL NEW MEMBERS FROM ONE OF THE CLUB'S OLDEST MEMBERS**

Subject: The Annual Picnic sometimes called the Ed Harvey Match

The reason for the annual club picnic is to get the club members and their families to the range at least one time a year. It is also to get members who shoot other disciplines to mix with the rest of the club members. If you don't want to shoot the match please come to the picnic and meet the other members and their families. Horse shoes and Jarts will be available for those that do not want to shoot. Club rifles and ammunition will be available for those that want to shoot but do not have their own equipment.

Please call the picnic host Erick Ehler @ 421-4113 and let him know that you are coming so that we can have enough food on hand.

If you want more information, please call me, Ray Barrett @ 424-4925

## **JUNIOR HIGHLIGHTS by Jim Starr**

First, thanks to all who participated in the raffle project. The funds have been distributed to the International Team for Chino, California and the balance will go to the High Power Team for Camp Perry, Ohio. A report of the raffle winners will follow in the next newsletter.

The Colorado Regional was a huge success for the juniors. Specific scores will be published in the newsletter as soon as a final report is provided. A couple of bright spots are both Trujillo girls shot Master scores and Aubre had a 195-5X standing in the Saturday shooting. Erick Ehler and Shane Harless Jr. Took the 10 and 8 point legs to continue progress toward the Distinguished Rifleman Award.

The Wyo. State Championship was a challenge to all in the 20mph dirt filled winds. However nasty the conditions, there are always those that excel. Amanda Collier scooped the Marksman Class and Jeremy Hurd dominated the Sharp Shooter Class. Erick Ehler won the leg matches to secure his 30<sup>th</sup> point which makes him the 5<sup>th</sup> Colorado Junior shooter to achieve the Distinguished Rifleman status within a 13 month period. Erick is a second year junior who's ambition and goals were to achieve a Master classification and earn the Distinguished Rifleman badge before reaching his adult shooting years. He has achieved both and as his Junior Administrator, I couldn't be more proud.

Next week we are off to the Colorado Championships, then to Camp Perry. Hope to write about the great and grand successes later.

Jim Starr  
HP. Jr. Exec.
