- WORKBOND OPPORTUNITIES

The BCGC Clinics offer numerous opportunities for members to satisfy their workbonds during the summer. As you all know, this is the busiest time of the year for the club. We are in need of volunteers

to be Coaches, Line Officers, and Pit Officers at the clinics. Individuals who are interested in assisting with the organization of the clinics are also being sought. For those who want to help out but have trouble with scheduling, there is also an opportunity to join a gun-cleaning work party (time to be determined by convenience). Participation in any one of these events will satisfy your year 2000 workbond.
