

## **Board Minutes – June 2014**

### **BUFFALO CREEK GUN CLUB, INC.**

---

#### **PRESIDENT'S CORNER**

Hello BCGC Members,

Thanks to all of the members who attended this month's Membership Meeting. We still have about 200 of the 450 T-Shirts remaining, so, if you did not order yours, let me know what you want. Go on our website at [bcgc.com](http://bcgc.com) & click on the "Tradin Post" tab to see the finished product.

Thanks go out to Rich Bronson, Sam Morris, Dean Barr and Jim Madere for their work on sprucing up the Pit area. The Pits were power washed in preparation for painting prior to the July 4th Match. The road up to the Large & Small Target Shed was improved and steps were dug out to the Pits. Great job guys!

A lot of work went in to installing cell phone service in the Stat House. It still needs to be tuned and the antenna needs to be raised for better reception but it does work from inside the Stat House with some carriers. Sprint worked but with limited reception. T-Mobile has 4-Bar reception. AT&T has no reception, yet. If you want to try your service, turn the "Timer Switch" on and wait for 30 seconds for your phone to establish contact. The "Timer Switch" is located on the side of the top locker in the Stat House next to the fire place. The "Timer" runs for a maximum of 60 minutes. Thanks to Dabney Crump, Sam Morris, Jim Madere and Dean Barr for the long day of installation.

Sam Morris and I conducted the Club's second Any-Any/Midrange Prone Match of the year. The weather was great with temperatures reaching in the low 70s by afternoon and wind variable between 10 and 20 MPH. We had 11 competitors including one first-time shooter. Don Forington, a Master, shooting in the Match Rifle Optics division, shot the overall top score with a 576. Match results will be posted on the website for all to view soon. Thanks go out to Jim Madere and Jim Barkdull, BCGC Members, who helped run the Match and all of the shooters who came out for the Match and had to endure my first time ever in calling a Match. I made many mistakes but learned a lot from all of the shooters and will vastly improve on calling my next Match. Master Shooters, Don Forington and Jim Monserud, were especially helpful in getting us through the Match.

We have Match Directors for all of our shooting events but we still need several volunteers. Check out the High Power and Clinic schedules and help out if you are available. Next week's Match will need volunteer help.

Our next meeting will be at the Indian Hills Community Center. We will once again have pizza & drinks after the meeting in the Community Center. Hopefully, many more of you will attend the July 15th meeting.
