Remember that the work bond for this year is \$100.00 and that we only have two work parties a year. The work parties for this year will be on **June 19** and **September 11**. The Range Officer will give the names of those attending the formal work parties to the Membership Chairman. Any other arrangement to satisfy the workbond will need to be signed-off on by a Board Member. In all cases a workbond coupon must be mailed to the Membership Chairman. Other ways for satisfying your workbond are by participating as a coach at a clinic or by assisting at a scheduled match. Contact the individual match sponsor or the Clinic Coordinator for more details.

If you plan to attend the June workparty remember to bring a lunch. Tools needed include a generator to run a compressor, hand tools, hammer drill for ¼" to ½" holes in concrete, cordless drill and screwdriver to miscellaneous repairs, brushes and rollers to finish painting buildings, and shovels for grading. Starting time will be 9:00am.
