

# HARDHOLDER – NOVEMBER 2012

## BUFFALO CREEK GUN CLUB, INC.

---

### PRESIDENTS CORNER

November has been a busy month at the range. We are preparing for some major renovations on the long range. The long range will be closed on December 1st and 2nd and December 8th and 9th, so we can put a new roof on the large target shed.

There were new steps installed at the Stat House. I met with a contractor to see about getting the road re-graded. Some of the shooting benches on the long range were repaired and new tops installed. The Porta Potties were pumped for the last time this year and closed up. Trash was picked up. We need to do some general cleanup and maintenance and we should be good until next year. Contact a Board Member if interested in helping with the shed roof or show up on either of the week-ends to lend a hand. We also need to de-weed the short range, and pick up all the brass and trash bits.

I hate to report this again, but now someone has shot a couple of the brass buckets to pieces. Appears we have some vandals. This destruction costs the club money.

We still need someone to help reload the Clinic ammo. This is done at a members house, on his press. All you have to do is put the components in the press and pull the handle. We typically make 4000 rounds a year. Let me know if you are interested in helping with this project.

We have selected a restaurant for our annual dinner-- Bennets BBQ in Arvada. The dinner will be on Saturday January 12th. Contact Dabney to make your reservation. Cost is \$20 per person.

We will also be voting on a change to the clubs bylaws and the Board of Directors. If you are interested in becoming a Board Member, let us know so we can start the process.

We will send out the proposed bylaw changes in a separate email.

We are scheduled to attend the Colorado Military Collectors show, at the Jefferson County Fairgrounds on January 20th, 2013. Show starts at 9:00, Admission is a \$4 donation. Stop by and check out the show. [www.colomilitaria.com](http://www.colomilitaria.com)

Remember we are at every Tanner Gun Show as well.

Remember to check the website before going out to the range. Be safe and hope to see you at the Annual Dinner
