The match fee of \$10.00 or \$20.00 entitles a competitor to shoot two rifle classes per match. Additional rifle class(s) to be shot on same match day, requires another payment of

\$10.00 BCGC member or \$20.00 Public non-member.

Match fees are to be paid with a credit card using Member Planet found on website, [bcgc.com](http://bcgc.com)

Relay and bench numbers are assigned after receiving notification of payment.

(If the use of Member Planet is not possible, please call a Match Director)

The public non-member fee is ONLY for the match. For any additional shooting activities, the normal Adult/Family Day Pass fee(s) as set by the BCGC Board will apply.

#### **IBS Rimfire 50 Yard Target**

RFBR competitors will shoot a two stage (20 minutes each) match using the IBS Rimfire 50 Yard Target. The IBS target has 4 sighting in bullseyes at the top and 25 bulls below for record.

During the timed stage, competitors will place one shot in each of the 25 bulls, and have the option to use the sight in bulls at the top for unlimited sighters during the stage.

#### **Range Accommodations**

The range has 13, 50 yard shooting positions. Depending on the number of competitors attending a match, a second relay or third will be begin immediately after the competitors have completed all their shots for record. Under normal shooting conditions, 13 shooting positions will be available, however, should there be an unusual situation occur such as a health pandemic, shooting positions will be reduced to the 7 odd number benches 1,3,5,7,9,11,13.

## **Match Schedule**

**8:00 AM**

Match specific range safety/protocol will be stated. A jury of 3 shooters will be appointed.

Competitors prepare their assigned bench for the first relay.

### **Match**

The match begins when all competitors are ready. A 15 minute delay may be called to allow for any competitor who is not present for their relay.

A ten minute sighting session will precede each match, the first of two stages (20 minutes each) will follow.

A time for competitors to clean their rifles is permitted between stages after a Cold Range is called.

Upon completion of the match and after final scores are tallied, the top 3 highest scoring rifles in the Squirrel Rifle Class, Sporter Bolt Class and Limited Class are subject to inspection by the jury. Should the jury find any violation of rifle class requirements, the rifle and match scores will be disqualified.

A 15 minute protest period begins after all targets are scored and posted. Any shooter may call for a protest related to their target(s) only. The shooter shall not use any measuring/scoring device on their target(s) before/during their called protest. The jury will review, evaluate the protest and render a final decision.

### **Equipment**

Any rifle chambered for the .22 LR cartridge having iron sights or scope is permitted.

(Refer to the Shooting Classes for specific class requirements)

Eye and ear protection, rests / bi-pods appropriate for the shooting class, empty chamber indicator (ECI), spotting scope, binoculars or rifle/pistol scope capable of seeing .22 LR rimfire holes at 50 yards. The use of wind flags are permitted and recommended.
