BCGC Steel Challenge (SC) Club – LIFE MEMBERSHIP

Several BCGC members started the BCGC Steel Challenge Club for this competition in October 2014.

You are invited to join this Club, assuming you are a BCGC Member “In Good Standing”. As a SC Life Member:

1. You can shoot every local SC Match for free, for life.
2. You will have access to a Steel Challenge set of Steel locked in the Job Box on the Short Range anytime it’s not being used by another SC Life Member and when the Short Range is available.

No steel used on the Short Range will be shot at a distance less than 15 yards. This Steel will only be shot on the Short Range with ammunition that will not damage the Steel. Violation of these policy’s will result in your membership in the BCGC Steel Challenge being revoked without a refund and your BCGC Membership will be determined by the Board of Directors IAW the BCGC By Laws. Normal action will be to seek BCGC Membership termination.

Effective November 1st, 2017, new Life Members of the SC Club are not allowed to sell their SC Life Membership to anyone. If you obtained your SC Life Membership prior to November 1st, 2017, you are “Grand-Fathered” under the old rules that allow you to sell your SC Life Membership. The Transfer is required to be processed and recorded by Owen Maddox. The sale can only be to a BCGC Member, who is and has remained a member “In Good Standing”. If the transfer does not go through Owen, it will be considered “Invalid” and that Life Membership will no longer exist.

To remain a Member of the BCGC Steel Challenge Club, you are required to continually remain a BCGC Member “In Good Standing”. Failure to do so, results in your BCGC Steel Challenge Club Membership being revoked.

Cost: BCGC Steel Challenge Club LIFE Membership cost is \$250. A spouse of the Life Member can also join as a Life Member for \$150 (NO spousal membership can be sold or transferred). All Life Members will receive an ID Card and key for the SC Job Box on the Short Range.
