Match 12:

NATIONAL MATCH

National Match Course will be fired concurrently with the Leg Match and under the same rules as the Leg match except only NRA match rifles will be allowed. A special prize fund will be provided and as described under "AWARDS".

AWARDS

Four major divisions:

Those entering as Civilian with service rifles.

Those entering as Military with service rifles.

Those entering as Civilian with NRA match rifle

Those entering as Military with NRA match rifle

Classifications, categories and divisions with less than five competitors will be moved up to the next category, division or classification. A highest class with less than five competitors will compete for match winner awards only.

There will be cash awards for each individual match (Matches 1-4 and 6-9)

RIFLE MATCHES: There will be a combined block time for preparation, sighters, and record shots during slow fire stages on Fri and Sat. This allows the competitor to begin live fire when the traditional preparation time begins. The combined block time does not apply to the EIC Match. Each competitor will fire his sitting rapid fire stage(s) after his slow fire standing stage, without removing his equipment from the firing line (no relay change).

PISTOL MATCHES

Service pistols and ammunition may be available.
Pistol EIC may be shot either Thurs, Fri, or Sat
Pistol matches will start approximately 1 hour after rifle match, or as posted.
.22 rimfire EIC will be fired concurrent with centerfire

Match program subject to change due to weather, range conditions, or at the discretion of the match director.
