

## **Shooting Class Defined**

### **Limited Rifle Class**

Any rifle chambered for the .22 LR cartridge meeting the following criteria is permitted.

No dimensional restrictions to barrel or stock - Factory barrels only

No aftermarket or custom barrels - Factory barrels may be set back, cut back, re-chambered and/or re-crowned, glass bedded, but must retain visible factory markings.

No rifle / scope weight limit - No limit on scope magnification

Any / all barrel attachments permitted - Benchrest adapters permitted

Bi-Pods permitted

Two piece (front/rear) rests or Bi-Pod are used in this class- Front and rear rests may be adjustable for elevation and windage

Two piece rests shall not be attached

Rests or Bi-Pod may be placed upon a shooting bench but not attached

\*\*\*\*\*

Limited production rifles such as (but not limited to), Kelbly, Gorman, Stiller, Voodoo, Davis, Bleikers, Cooper and Anschutz custom shop offerings, that use aftermarket barrels such as Shilen, Lija, Krieger, Shaw, Wilson etc. will shoot in the *Unlimited Rifle Class*.
